

APLT 2021 Practical information

1) HOW TO GET TO THE CONFERENCE VENUE?

- the conference venue is Hotel Wolski, Jodłowa 13, 30-251 Kraków (<https://goo.gl/maps/E1exADHYxD3VqnJK7>);
- The venue is not currently served by the public transport, but it is conveniently located between the centre and the airport in a secluded forest.
- if you booked your accommodation with a conference package, you accommodation and boarding will be all in the same place
- the conference venue is not in the city centre and there is no good public transport available. Taxis (as well as Bolt/Uber) in Krakow, however, are rather inexpensive.

a) by taxi from the airport

- give Hotel's address to the taxi driver at the airport;
- airport taxis have a fixed rate - 69 PLN to the conference venue (ca. 15-17 EUR) (<https://www.krakowairport.pl/en/passenger/transport-en/directions/from-to-krakow-airport/krakow-airport-taxi-service-en/>)
- it is cheaper to order an Uber/Bolt (ca. 30-40 PLN = less than 10 EUR); local taxis are also cheaper but you have to call them and coordinate pickup point (e.g. +481219625) etc.

b) by taxi from the Kraków Główny train station

- there are taxis at the parking level (use the elevator or stairs – and go UP one level from the platform); these are perfectly trustworthy taxis; it should cost you ca. 30-40 PLN = less than 10 EUR to get to the conference venue;
- Uber/Bolt might be cheaper (but not necessarily)

c) public transport

we do not encourage you to use it, as the location is not on the main routes. Still, there is a bus stop at Przegorzały (<https://goo.gl/maps/x5zjt2DQYXq1LptA9>) from which you can hike to the venue (it takes about 15-20 minutes uphill). Transport links can be found on Jakdojade website: <https://jakdojade.pl/krakow/trasa/>. If you plan on using public transport, you could download the Jakdojade app, in which you could also buy ticket. Be aware that riding without tickets can be fined.

d) from the Hotel to the city centre

Use a taxi (the reception at the hotel will happily book you one) or Bolt/Uber. The ride to the Wawel castle/ Main square should take between 15-30 minutes, depending on the traffic, and cost you ca. 30-40 PLN. Bear in mind that the very centre is pedestrianized, so you can only ride to a location within 5-10 minute walk to main spots.

2) FOOD AND DRINKS DURING CONFERENCE

There is no conference fee and we do not provide any food or drinks. There is a restaurant in the hotel if you wish to use it (there are no other dining options within the walking distance from the venue). If you bought conference package at the hotel (with accommodation and catering) – you are fully covered. If you wish to join conference dinner or use lunch options, you can pay for those at the hotel – please, mention that during registration.

3) REGISTRATION

There will be a registration table near hotel reception; in case you have any questions or need some help – please, contact people at the table.

4) ONLINE PARTICIPATION

This is an in-person conference. Some of the keynote/invited lectures will be presented and available via Zoom. We do not plan to stream conference sessions.

See you in Krakow!
